

INTEGRATIONS DONE RIGHT

- **Pre-integrated solution with Oracle**
- **Single interface with 40+ mapping fields**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

HireRight, a Gold Level Partner in the Oracle Partner Network, supports more live applicant tracking system integrations with Oracle Talent Management solutions than any other background screening company.

Highly configurable packages allow Oracle Talent Management users to order any of HireRight's 200+ global services including enterprise-wide background checks and drug testing, and receive real-time results, all from within Oracle Talent Management. Candidate provided information from Oracle Talent Management automatically pre-populates the HireRight background check form, reducing redundant data entry, improving accuracy and driving administrative efficiency.

The integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements help promote long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

HireRight and Oracle have assisted over 400 mutual clients to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.

Integration Advantages:

Data prepopulation

Reduces duplicate entry
improving efficiency

Change tracker

Alerts recruiter to changes made
in the background check process

Mobile optimized

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates
