

INTEGRATIONS DONE RIGHT

- **Pre-integrated solution**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organisation

HireRight and Workday have built an integrated solution to consolidate critical recruiting and background screening requirements into one solution to deliver convenience, control, faster results, and better quality of hires.

Through a single interface, recruiters can order HireRight background checks for their global workforce with just a few simple clicks within Workday Recruiting. Candidate information transfers from Workday Recruiting to the background check form reducing duplicate data entry, administration and time. Once the order is submitted, background check results begin appearing in real-time for the recruiter to view.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration, HireRight and Workday are assisting mutual customers to achieve a recruiting and background screening solution with truly optimised performance.

Integration Advantages:

Streamlined ordering

Single sign on

Data prepopulation

Reduces duplicate entry
improving efficiency

Change tracker

Alerts recruiter to changes made
in the background check process

Mobile optimised

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates

About HireRight

HireRight helps employers hire the right candidates by delivering global [employment background checks](#). Employers can tailor HireRight's extensive screening solutions to their unique needs, giving them peace of mind about their hiring and vetting processes.
