

INTEGRATIONS DONE RIGHT

- **Single sign-on**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

HireRight and BeaconInsight have built an integrated solution to consolidate critical recruiting and background screening requirements into one premier solution to deliver faster results.

Recruiters can order HireRight background checks and drug tests for domestic or international locations with just a few clicks within BeaconInsight. Thanks to the integration, candidate information transfers from BeaconInsight to the HireRight background check form reducing duplicate data entry, administration and time. Once the order is submitted, background check results begin appearing in real time for the recruiter to view.

The integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration solution, HireRight and Avature are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.
