

INTEGRATIONS DONE RIGHT

- Pre-integrated, pre-tested
- Real-time order and screening status
- Configurable account and notification setup

Recruiting top talent is critical for the success of any organization

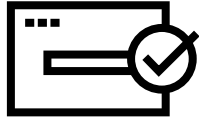

For over 30 years, HireRight has been a leading global provider of employment background screening solutions, helping customers to mitigate employee risk and make informed hiring decisions.

As a Greenhouse “Preferred Partner,” HireRight offers a pre-integrated, productized solution that enables users to order within the Greenhouse Recruiting application. This integration enables users to order HireRight background screening services seamlessly and in real-time with just a few clicks from within the Greenhouse application helping decrease compliance risk, and moving quality candidates more quickly through your recruiting and hiring process.

The integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight’s dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

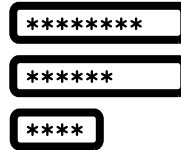

Through our partnership and integration solution, HireRight and Greenhouse are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.

Integration Advantages:

Streamlined ordering

Single sign on

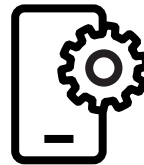

Data prepopulation

Reduces duplicate entry
improving efficiency

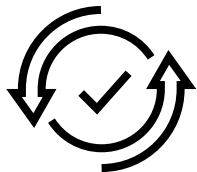

Change tracker

Alerts recruiter to changes made
in the background check process

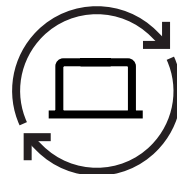

Mobile optimized

Candidates can complete background
check using their preferred device

Status updates

Ensure a timely and
transparent process

Integration support and automatic updates
