

HIRERIGHT & KRONOS INTEGRATION WORKFLOW

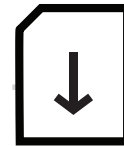

Recruiter identifies
candidate

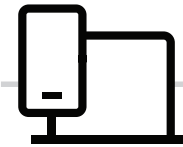

Recruiter initiates
background check in
Kronos

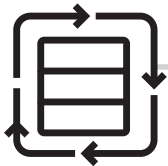

Kronos transfers
request and candidate
data to HireRight

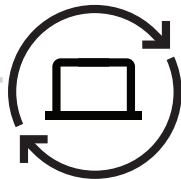

HireRight sends invite to
candidate to provide authorization
review the information and
complete missing information

HireRight processes
request based on client
requirements

Status is posted back to
Kronos so recruiter may
review progress of
background check

A link with access to the
completed background
check results is posted
to Kronos

Recruiter views results by going
to HireRight link
