

# INTEGRATIONS DONE RIGHT

- **Pre-integrated solution**
- **Real-time order and screening status**
- **Configurable account and notification setup**

## **Recruiting top talent is critical for the success of any organization**

HireRight and Lumesse have built an integrated solution to consolidate critical recruiting and background screening requirements into one solution to deliver convenience, control, faster results, and better quality of hires.

Through a single interface, recruiters can order HireRight background checks and/or drug tests with just a few simple clicks within Lumesse TalentLink. TalentLink is intuitive, feature rich, fully mobile enabled and built with the user in mind. It supports Enterprise organizations in all industries to implement their smart search, dynamic job distribution, passive candidate engagement and predictive analytics.

Our integration is easy to implement, with no middleware or development required. Future HireRight solution enhancements ensure maximum long-term ROI. HireRight's dedicated integration team of experienced pre-sales and technical consultants work closely with you to ensure an efficient implementation.

Through our partnership and integration, HireRight and Lumesse are assisting mutual customers to achieve a recruiting and background screening solution with truly optimized performance.

## Integration Advantages:

### Streamlined ordering

Single sign on

### Change tracker

Alerts recruiter to changes made in the background check process

### Status updates

Ensure a timely and transparent process

### Data prepopulation

Reduces duplicate entry improving efficiency

### Mobile optimized

Candidates can complete background check using their preferred device

### Integration support and automatic updates

## About HireRight

HireRight is the premier global background screening and workforce solutions provider. We bring clarity and confidence to vetting and hiring decisions through integrated, tailored solutions, driving a higher standard of accuracy in everything we do.
