

INTEGRATIONS DONE RIGHT

- **Pre-integrated, pre-tested**
- **Real-time order and screening status**
- **Configurable account and notification setup**

Recruiting top talent is critical for the success of any organization

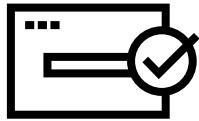

Integrating HireRight employment background screening with myStaffingPro allows you to hire quality employees more quickly, saves your organization time and money, and improves both the candidate and recruiter experiences.

Highly configurable packages allow users to order any of HireRight's 200+ global background screening and drug testing services and receive real-time results, all from within myStaffingPro environment. Candidate provided information from myStaffingPro automatically pre-populates the HireRight background check form, reducing redundant data entry, improving accuracy and driving administrative efficiency.

The integration is easy to implement, with no middleware or development required. Future solution enhancements help promote long-term ROI. HireRight has a team of experienced pre-sales and technical consultants that are dedicated to the integration solution and delivering an efficient implementation experience for you.

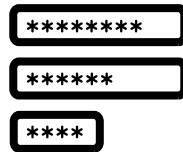

Through our partnership and integration solution, HireRight and myStaffingPro are assisting mutual customers to more effectively leverage their investment in recruiting and background screening solutions for truly optimized performance.
